About Us

WHO WE ARE

Servimetal was created in 1988 to supply the flat metal raw material needs of the local industry and multinational OEM manufacturing companies in Puerto Rico. From its modest beginning, the company has grown to its present world class facilities.

MISSION STATEMENT

Our goal is to be a World Class Metal Service Center. To accomplish this objective **Servimetal** must relentlessly continue to satisfy the needs of our customers, effectively and speedily, without sacrificing our quality standards. To reach this goal we must empower the work force, from top to bottom, because they are our greatest asset.

Why Servimetal Matters to Your Business

120,000+ SQ FT

Modern facilities built for scale, efficiency, and dependable service.

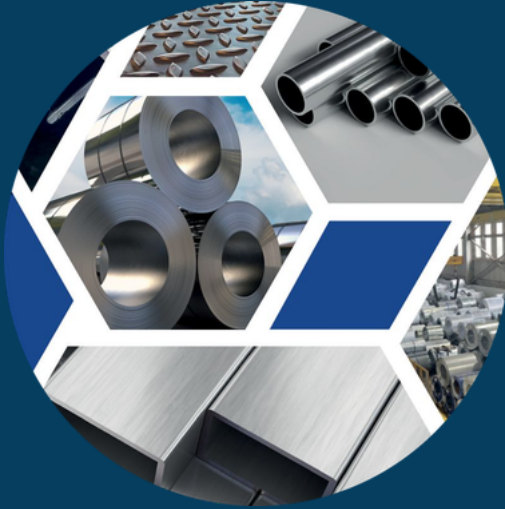

10,000+ Metric Tons

Deep inventory positioned for fast, reliable delivery when you need it.

1,000+ Customers

Trusted by OEMs and businesses across local, domestic, and international markets.

Three Divisions, One Strategic Advantage

Flat Rolled Division

Precision Processing. Built Around Your Requirements.

Slitting, cut-to-length, and precision blanks engineered to your exact specifications — delivering the consistency, accuracy, and reliability your operation demands.

Flow Control Division

Reliable Flow. Demanding Industries.

Trusted distribution of flow control solutions across pharmaceutical, oil & gas, water, and food & beverage industries — where quality, reliability, and consistent performance matter most.

Export Division

A dedicated team strategically positioned to expand your reach across the Caribbean market.

FLAT ROLLED DIVISION

Precision Processing and High Capacity

Precision processing built to your specifications — reducing waste and keeping production moving.

- **Custom slitting & cut-to-length** to your exact specs
- **Precision cut blanks** that minimize waste and rework
- **Fast turnaround** for specialized orders

FLOW CONTROL DIVISION

Trusted Distribution Partner

Multinational Manufacturer Representation

We represent leading global manufacturers, simplifying procurement through one trusted and accountable relationship.

Streamlined Multi-Sector Procurement

Serving pharmaceutical, oil & gas, water treatment, and food & beverage industries through one experienced, accountable partner.

Reduced Vendor Complexity

Fewer suppliers, shorter lead times, and less administrative work — helping you lower procurement costs, simplify purchasing, and keep projects on schedule.

EXPORT DIVISION

Caribbean Export Growth Opportunity

Regional Demand, Ready to Capture

Growing Caribbean demand, supported by Servimetal's manufacturing, logistics, and regional expertise.

One Partner. Greater Caribbean Reach

Enter new Caribbean markets with less supply chain complexity — leveraging our infrastructure, relationships, and local expertise.

Why Choose Servimetal for Growth

38
